

Fees (Zero fees until 30th April 2021)

Transaction Fees for EEX Japanese Power Future

EEX trade registration fees:	2.00 JPY/MWh
ECC clearing fees:	1.00 JPY/MWh

- EEX and ECC only charge fees for concluded transactions. A cash settlement fee on expiry date will not be charged.
- To support the development of initial liquidity, EEX have extended the trading and clearing fees waiver for Japanese power contracts until **30th April 2021**.

Example:

1. If you open a position and hold this position until expiry, your total transaction fee will be 3 JPY/MWh (just the opening transaction will be charged).
2. If you open a position and close this position before expiry, your total transaction fee will be 6 JPY/MWh (3 JPY/MWh for the opening transaction plus 3 JPY/MWh for the closing transaction will be charged) .
