Limited Availability of Fuel Oil Orderbook Prices

Due to technical difficulties on the side of our market maker, firm orderbook prices for **S380 and RDM3.5** contracts may be intermittently unavailable.

Should there only be indicative pricing or no prices on our Orderbook, we encourage participants interested in trading to offer prices through our **Request for Quotation (RFQ)** functionality, in order to reach out to the market maker or other participants.

If you have any queries, please do not hesitate to contact our team at **+65 6206 9828** or email us at marketops@eexasia.com.

Thank you for your continued support.
