

## Cleartech Portal 2020.4 Upgrade

As part of an upgrade, an update for the Cleartech Portal to Version 2020.4 will be released by **5 October 2020**. No downtime is expected.

### 1. Broker Trade ID Field

A new field for Recap Trade IDs are available for brokers. Recap IDs entered through this field will be populated through the system, including in APIs.

### 2. Submission of Trader Name into SGX

Trader Names into SGX can be submitted automatically.

### 3. Options Pricer

A new Options Pricer function is available.

If you encounter any issues, you can reach EEX Asia Market Operations at **+65 6206 9828** or via email at [marketops@eexasia.com](mailto:marketops@eexasia.com).

Refreshing your page (Ctrl+F5) or logging out and back in prior to use is recommended. Thank you for your continued support.
