

Proposed De-Listing of EEX Asia Capesize TC Average (C4TC) Futures and Options and Supramax TC Average (S6TC) Options Contract

EEX Asia would like to propose de-listing of legacy contracts as follows:

1. EEX Asia Capesize TC Average (C4TC) Futures
2. EEX Asia Capesize TC Average (C4TC) Options
3. EEX Asia Supramax TC Average (S6TC) Options

Publication of the underlying index for the above contracts has ceased, and no open interest are held by members of EEX Asia.

Prior to the discontinuation of legacy indices, EEX Asia has listed futures and options on new indices provided by the index provider (The Baltic Exchange), to reflect changes in the underlying physical market. For a full overview of EEX Asia's current freight derivatives market, please click [here](#).

As such, we have made the consultation papers available on our website <https://www.eexasia.com> to gather feedback from our members between 14 January 2021 and 13 February 2021. The procedures to submit your feedback have been included in each Consultation Paper.

If you have any queries, please do not hesitate to contact our team at **+65 6206 9828** or email us at marketops@eexasia.com.

Thank you for your continued support.
