

Cleartech Portal 4.0 Upgrade

As part of an upgrade, an update for the Cleartech Portal to Version 4.0 will be released on **10 December 2018**. No downtime is expected. Updates include:

For Risk Manager Users:

- A new Risk menu option is available, under which, the Risk Manager function and Audit logs are available.

If you encounter any issues, you can reach EEX Asia Market Operations at **+65 6206 9828** or via email at marketops@eexasia.com.

Refreshing your page (Ctrl+F5) or logging out and back in prior to use is recommended. Thank you for your continued support.
