

Cleartech Portal 4.5 Upgrade

As part of an upgrade, an update for the Cleartech Portal to Version 4.5 will be released by **23 June 2019**. No downtime is expected.

1. EEX Market Trade Tape Portlet Improvement

Trade Tape will now display Clearing House column

2. Export of Trade History Improvement

Users of CLTX Marketplace can now choose to export trades either with visible columns only or all columns.

Trades > Export > Visible Columns or All Columns
